- Served as Institute Employee Council Delegate (1995-1997, 2000-2001).
- Served as Institute Activities Association President (1995-1997), Treasurer (1999-2002).
- Lead company's participation in the Salvation Army Angel Tree Program (1994-2001).

TECHNICAL ADDENDUM**Specific expertise/strengths include:**

- System/Network Administration.
- Security Administration.
- Project Management.
- Web Application Development.
- System Development and Integration.
- FoxPro, Oracle, dBase III, MySQL Database Admin/Conversion.
- Micro Applications Development.
- Apache Web Server Installation and Configuration for Multiple Virtual Servers.

SKILLS**Security**

- Able to identify threat vectors in order to perform risk assessments to produce operating system hardening procedures of critical systems utilizing "Defense In Depth" techniques.
- Proficient using security tools. (Snoop, TCPDump, TCP Wrapper, NMAP, YASSP, Satan, Crack, L0phtcrack, Netcat, C0Ps, etc).
- Experienced in securing operating systems-Solaris, Irix, AIX, WinNT/2000.

Hardware/Operating Systems

- UNIX Systems: Sun Solaris, IBM AIX, SGI Irix, HP HPUX, and RedHat LINUX.
- Successfully installed, maintained, and upgraded Sun, SGI, and IBM UNIX systems.
- DOS 3.2 through DOS 6.22, Windows 3.1 through Windows XP, MAC OS 6.8 through MAC OS 7.1.
- Microsoft Windows NT 4.0/2000 administration.

Protocols and Services

- HTTP, HTTPS, IPSEC, NIS, DNS, NFS, PPP, Sendmail, SSH, POP3 - Qpopper, IMAP, PGP, PKI, INN USENET News, Majordomo mailing list.

Programming Languages

- Primary languages: Bourne UNIX shell scripting, Perl, Visual BASIC, Visual BASIC for Applications.
- Secondary languages: Korn and Bash UNIX shell scripting, C/C++, JavaScript, Expect.

Web Expertise

- Apache installation and configuration, CGI, HTML (forms, tables, etc), JavaScript.

Databases

- SQL, SQL+, dBase III+, Microsoft FoxPro, Microsoft Access, Oracle, Ingres, MySQL.
- SCT Banner, SIRSI Unicorn, Cuadra Star.
- Excellent understanding of database theory and design.
- Experience in implementing and supporting large database systems.

Networking and Communications

- IPX, TCP/IP, AppleTalk, EtherTalk, RS232, RS422.
- Cabletron, Cisco, Annex, Xylogics, Bay Networks, 3Com.
- Cisco PIX and Cisco VPN.
- Dialup Network Servers for both TCP/IP and IPX.

Miscellaneous Applications

- Involved experience using Veritas Solstice DiskSuite for system disk mirroring and transaction logging.
- Proficient at Visual Basic for applications as it pertains to the Microsoft Office suite.
- Microsoft Office Professional, Eudora Pro, FTP, Telnet.
- Numerous projects working with many different departments to design and implement software solutions to web content management.
